

## **Oakleigh Cannons FC MiniRoos & NPLV Fair Play Policy: -**

At Oakleigh Cannons FC we aim to give all players a minimum of 50% game time over the course of the season.

Coaches fully understand that all players want to play as much as possible.

When players are rotated off they must remain positive and not drop their heads when taken off as this directly affects the positive culture that we have created within the teams at Oakleigh cannons.

Our clubs Fair Play Policy: -

If all is "equal"

example:

- A commitment by players to try their best and at all times.
  - Play to the best of their ability.
  - Prepare themselves physically and mentally.
- Demonstrate commitment to the team by maximizing attendance at training.
  - Behaving at all times with respect to his/her team mates/coaches/team manager/parents/technical director/support staff and all other people in our community.

Then: - The commitment by the coach is to: -

- A player must play in the 1<sup>st</sup> half and again in the 2<sup>nd</sup> half;
- When you tally up the game time of the player; it must not be less than half a game;

Over the course of the year player who play half games will get full games and vice versa.

This is left up to the head coaches' discretion.

However, if it is "not equal" then it is left up to the head coaches' discretion regarding the amount of time a player gets on match day.

A Fair Play Model  
Example of one model

There are 2 scenarios

**Scenario 1: When the team is not running for 1st spot or 2nd spot**

1. Our U14's fair Play Model v Kingston City (This is my view)

v Kingston City		Min 30 min each player		Full Game	Roster off
		1st half	2nd half		
11	Pep	↔	11	4	8
1	Mat	↔	1	5	2
6	Sam	↔	6	3	4
7	Jackson	↔	7	10	10
2	Holden	↔	2	9	Alex ☺
				8	Jack
					8
					Angelatos A
					2
					Angelatos G
					4
					Max A
					10
					M Guerra

There are 20 players in this squad and half a game equals 30 min

--- Team Rules ---

- Everyone who attends a game must play a min of "half" a game
- All players must play in the 1st half and again in the 2nd half

All subs paired will come on at 2 intervals; @ the 15min mark of both half's

- Break down: of Team Selection
  - (10) Players are paired;
  - (6) Players play a full game
  - (4) Players are rostered off

**Scenario 2: When the team is running for 1st spot or 2nd spot**

We apply the same model as above and add an additional rule.

We include a "core" set of players in the (6) Players of whom will play a full game  
This list is determined by the coach and could change week by week depended on the coach's discretion.
