

———— Player's Fees for season 2021 ————

We have tried to keep fees as low as possible due to the covid interrupted year. As you can appreciate, although not much football was played this year, the club has still incurred its usual running costs. We have however reduced the cost for the 2021 fees as listed below.

———— Uniforms ————

Returning players

In order to keep costs down we will be wearing the same uniforms as season 2020, however as the blue home jersey is no longer available, we will be ordering a navy-blue jersey to match the existing shorts and socks. The cost of the blue jersey is included in the 2021 fees.

If players have outgrown their other items of clothing, we will be sending out an order form to all team managers to distribute to their players, so that families can order their replacement items directly through Pascoe Vale Sports at their own cost.
