**IMPORTANT ANNOUNCEMENT**

**EFFECTIVE IMMEDIATELY**

Anyone interested in entering and/or playing in any external tournaments\*\* **MUST** put forward an application in writing via email to the clubs Technical Director, John Kostopoulos (Kokki) [john.kostopoulos@bigpond.com](mailto:john.kostopoulos@bigpond.com).

\*\*This includes:

- Domestic – Summer 7's, Shepparton, Sandringham etc
- International – England, Greece, Germany etc
- Players invited to join from an external source

In order for Oakleigh Cannons FC to remain a professional and elite club, we need to govern these external tournaments as they are outside the jurisdiction. Another important factor is to determine whether the tournament host has obtained supplemental Insurance covering all attending participants.

All applications will be reviewed accordingly and the outcome will either be favourable or unfavourable (ie accepted or denied).
